Dear Principal Leung,

My Staff and I are delighted to share with you the outstanding performance of our Form 6 student (Class of 2022-2023), Lau Wai Sum (劉慧心), who was one of the Primary 6 students from your school, has been admitted to the following programme to pursue her studies:

Degree Programme : **Bachelor of Business Administration (Hons) - Accounting Concentration**

I take this opportunity to show my appreciation to your dedication to teaching. With your effective pedagogy and encouragement, Wai Sum has been well equipped with generic skills to pursue further academic developments. With your guidance and understanding, she has developed her character well and actualized her potential. I am sure you continue to inspire other students.

Thank you for supporting our school. I look forward to meeting more of your graduates admitted to our school in the future.
