

School-based Supporting Measures for Non-Chinese Speaking (NCS) Students

Through the “Enhanced Chinese Learning and Teaching for Non-Chinese Speaking (NCS) Students Funding Scheme” sponsored by the Education Bureau (EDB), our school aims to create an inclusive learning environment by providing several measures to support NCS students, with the main emphasis on providing support for learning Chinese as a bridging measure to mainstream Chinese Classes.

依據教育局「改善非華語學生的中文學與教撥款」計劃，本校為非華語學生提供以下校本支援措施，主要支援學生學習中文，希望讓非華語學生能盡早銜接主流課程，建立共融校園。
